### How to prepare your poster

- Please prepare the poster using your own style. However, the following information should be clarified.
  - Introduction / Background
  - Methods
  - Results
  - Conclusions
  - References and acknowledgements
- The presenter must bring your own poster and set it up on the day of the conference. You have to stay at the area for a specified period of time.
- The poster must be printed on vinyl with the size of 80 cm width and 180 cm height.
- Please make 4 holes at all corners. The organizer will prepare the x-frame for your installation.
- Please write down the information just in this white area. Text or data lower than this area is too low to see.
